

Welcome!

A heart-felt thank you to all my supporters.

We didn't win the election, but we made a difference. We were able to place issues that would not have otherwise been discussed, before the people.

We were first to talk about open government and winning back the trust of the people. Other candidates adopted this message.

We were first to say that successful economic development requires bringing good high-paying jobs to Rolla. Other candidates also adopted this message.

We were passionate about saving Buehler Park. No mayoral candidate campaigned on selling off Buehler Park.

We were able to raise many other important issues like controlling utility bills, revising the 25 year motel tax agreement with the Chamber of Commerce, restoring funding to the library, and building a third fire-station.

I will continue to raise these and other issues and work for a better Rolla.

Congratulation to Bill Jenks, the next mayor of Rolla.

And a sincere thank you to the 21 percent of registered voters who had enough interest in their city to vote in this very important election. (probably around 13 percent of those eligible to register and vote)
